Ohev Shalom's Congregational Brunch will be held on Sunday November 9th. We will honor four congregants for their current service and enduring commitment to our synagogue and community. Our Awards Committee met, and with unanimity and great enthusiasm, our four honorees were selected.

It is with supreme pleasure and excitement that I share with you this year's recipients:

Man of the Year: Larry Lipton

Woman of the Year: Romie Griesmer

Meritorious Service: Louis Stesis and Lorraine Gross

Please be certain to mark your calendars and save the date Sunday, November 9, to attend this warm and inspirational annual event. Meet and greet new members, reconnect with old ones, and celebrate the achievement and dedication of our wonderfully deserving award winners.

Enjoy the rest of the summer; I hope to see you all in the weeks ahead.

David Pollack, President
